RE: Women Offshore's Summer Sea Term Scholarship Information Request

The Women Offshore Foundation, is an online organization and resource center established to support a diverse workforce on the water. As a 501(c)(3), non-profit public charity, our mission is to propel women+ into meaningful careers through access to a worldwide community and professional development resources.

As part of our commitment to	reducing barriers to	women+, we awa	ard summer sea	term scholarships
based on an application process.	. As part of this proce	ess, we are assessing	ng the education	financial needs of
with a studen	t identification numb	er of	·	

To assist us in this effort, we ask that you provide the following information:

- 1. Is the student enrolled full-time in the USCG License program? No
- 2. Is the student in good academic standing according to the institution's criteria? Yes No
